Hakkımızda

2008 yılından itibaren doğaltaş ocak işletmeciliği girişimleriyle faaliyetlerine başlayan HBB Marble, grup firmaları ile birlikte toplam 300'ün üzerinde personeliyle başta Çin ve Avrupa ülkeleri olmak üzere dünyanın birçok ülkesine ihracat yapmaktadır. HBB Marble Türkiye genelinde aktif 8 ocağa sahip olup bu ocaklardan başlıca çıkan ürünler "Arabescato Orobico, HBB Grey, Ottoman, Myra Bej, Octavian White, Light Travertine, Silver Travertine, Bazalt," HBB Marble markası altında üretilmektedir. Yüksek kaliteli rezervlere sahip ocaklarımız ile şirketimiz yaklaşık 270.000 ton/yıl üretim ile faaliyetlerine devam etmektedir. Teknolojik yenilikleri takip ederek üretim standartlarını sürekli yükselten şirketimiz yeni ocak yatırımlarının yanı sıra Afyonkarahisar da 400.000 m²/yıl, Burdur da 576.000 m²/yıl toplam da 976.000 m²/yıl kapasiteye sahip mevcut fabrikaya ek olarak fabrika yatırımlarını da hızlı bir şekilde sürdürmektedir. 2018 yılından itibaren kurumsallaşma faaliyetlerine başlayan firmamız üretim, yönetim ve hizmet süreçlerinde kurumsal kaynak planlama altyapısını oluşturup, kapasite gelişimi ile hızlı büyümeyi ve rekabet gücünü yükseltmeyi sağlamak amacıyla yönelik projelerine devam etmektedir. Şirketimiz ürettiği blok, plaka ve ebatlı doğal taş ürünlerini "Yaratıldığı gibi..." sloganı ile siz değerli müşterilerine sunmaktadır.

About Us

HBB Marble, which started its activities with natural stone quarry management initiatives since 2008, exports to many countries of the world, especially to China and European countries, with its group companies and a total of over 300 personnel. HBB Marble has 8 active quarries throughout Turkey and the main products from these quarries are produced under the HBB brand of "Arabescato Orobico, HBB Grey, Ottoman, Myra Bej, Octavian White, Light Travertine, Silver Travertine, Basalt". With our quarries with high quality reserves, our company continues its activities with a production of approximately 270.000 ton/year. Our company, which constantly raises its production standards by following technological innovations, continues its factory investments in addition to its new quarry investments. As well as the existing factories in Afyon (400.000 m²/year capacity) and in Burdur (576.000 sqm/year capacity) with a total 976.000 sqm production capacity, continues its projects aimed at ensuring rapid growth and increasing competitiveness. Our company offers its block, slab and cut-to-size natural stone products to our valued customers with the slogan "As it was created..."
